<sup>\*</sup> Sample diluted prior to analysis

<sup>1</sup> Indicates an accredited test by Near North Laboratories Inc. to CALA to ISO/IEC 17025. 2 Indicates analyses were subcontracted to an accredited and licensed laboratory.

Preparation: All samples were processed in accordance with the Occupational Health and Safety Act. Analyses performed by a N.I.S.T. - NVLAP accredited analyst and in accordance to Regulation 830/90 O.H.S.A., Ontario Ministry of Labour.

Results apply to the sample as received, and, unless otherwise stated, field chlorine, field turbidity, field temperature and field pH are provided by the sampler.

QC report available upon request. Sample(s) received in good condition, unless otherwise noted.

Near North Laboratories Inc. does not accept liability for the collection/handling of samples; nor representation and custody of samples prior to submission to the laboratory; the only exception to this statement is for samples collected/handled/in custody of NNL staff from the time of sampling. It is agreed that if Near North Laboratories Inc. should be found liable for any losses or damages attributable to the services provided, the liability shall be limited to and not exceed the amount of the fee paid by the Client for the services; this limit of liability may constitute the retest / re-provision of the service or a refund of the fee paid.
